Intergenerational learning survey

1. Knowledge, skills or experience from my story - have I passed them on or am I passing them on to someone?

2. What surprised me and made me happy when communicating and passing on knowledge with the "young" generation? Have I learned something from the "young" generation? What?

3. When was the last time you participated in any kind of educational activity (course/workshop)?

Was it an intergenerational activity? YES / NO

What was the topic of the activity? (digital competences / language competences / manual dexterity / other)

4. What are the biggest obstacles that the elderly face in terms of participating in (intergenerational) activities?

5. What activities (topics) would be useful and interesting to you and you would like to participate in?
